### SUMMER SCHOOL 2021

Online registration for the 2021 Summer Sessions will begin on April 8, 2021 at 4:00 pm and end on May 9, 2021. Your registration PIN and Web Registration Instructions will be sent to you in a separate email. As you know, the law school has changed to an hourly tuition schedule beginning with the Summer 2021 semester. No changes to registration will be allowed between May 10 and May 16. Your individual tuition, financial aid and any scholarships will be calculated during this time period. Any changes to your schedule made after May 9, which do not result in a zero net change in credit hours, will cause changes to tuition, financial aid and scholarships.

If you are interested in registering for an externship, please contact Professor Uchimiya as soon as possible. Please note that some externships require an extensive personal background check.

There will be two courses offered through the Germany Summer Abroad Program: International Criminal Law, and From Nuremberg to The Hague: The Impact and Legacy of the Holocaust on the Law. Students participating in the Nuremberg Moot Court Competition will be registered for two additional credit hours. Please contact Professor Kelly for competition details. Information about the summer abroad program can be found on the Law School website under Academics.

Attached is a list of the Summer 2021 course offerings for Terms 1 and 2, followed by the course descriptions and a class schedule. If you have questions about specific courses, please contact the professor teaching the course. The Summer 2021 Final Exam Schedule and the 2020-2021 Academic Calendar are also attached.
